How It Works:

- You will receive a personal code that your referred customers will use so that you can receive 10% of the sale.
- The sale is based on the duration of the vehicle time being rented. For example: If you referred someone who wanted to book a tesla for 5 days = \$500 you will receive \$50.
- For repeated customers you have the opportunity to gain up to 30% of the sale based on the duration of the rental.
- Customers who use your code will receive 5% off their rental payment.

Terms and Agreement:

- The content you receive from Mayo Rides is not to be altered or it will result in termination of referral membership
- You cannot use any content and name related to Mayo Rides to negatively affect the brand or business.
- Some customers will have to go through turo to book. You will receive 10% after Turo's percentage is taken out. For example: 5 days = \$500 Turo will take 30% = \$150 = \$350 - 10% = \$35 given to you if they were referred by you.
